

Havana, May 21st, 2025

Ladies and Gentlemen,

The Organizing Committee of the Havana International Fair wishes to extend a warm invitation to participate in the 41st edition of FIHAV 2025, which will take place at the ExpoCuba fairgrounds, from November 24 to 29, 2025.

Since 1984, FIHAV has established itself as the largest multi-sector trade fair in Cuba and the Caribbean, and one of the most representative in Latin America. Each year, it attracts thousands of business leaders from more than 700 companies and over 60 countries.

To avoid the weather conditions that typically occur in the first half of November, the Organizing Committee has decided to hold the event this month, but in its final week.

FIHAV 2025 will be a space for exchange and information among national and international business communities on the progress of the implementation of the Government Program to correct distortions and boost the economy, as well as updating participants on business opportunities in Cuba.

The 8th Investment Forum, business forums, product launches, fairs and events, presentations, and conferences on various topics of interest will be held to promote business among attendees. The Portfolio of Business Opportunities with Foreign Capital will be

updated, focusing on priority projects and sectors for the nation's economic development.

Delegations from each country will have the opportunity to celebrate National Days in their respective pavilions and share their business interests.

We extend this invitation to join us for this edition and celebrate FIHAV's 41st Anniversary with us.

We look forward to seeing you at FIHAV 2025!

Oscar Pérez-Oliva Fraga

Minister of Foreign Trade and Investment

President of the FIHAV Organizing Committee.
