

## Agriculture, Livestock, Dairy Production, Greenhouse Technologies, Seeds, Seedlings, and Breeding Fair

**BURSA  
EXPO  
CENTER**

**OCT. 08-11  
2025**

agrofairbursa.com /   AgroFairBursa

“ **BURSA,**  
one of the most important  
centers for agricultural and  
livestock exhibitions,  
continues its journey by hosting  
**AGROGREEN**  
with growing international influence ”

## Why Bursa?

- With its fertile agricultural lands, livestock activities, processing facilities, technological investment opportunities, and proximity to regional agricultural centers, Bursa is a key meeting point for agricultural fairs.
- The quality and characteristics of seedlings, seeds, dairy products, and greenhouse technologies increase the fair's appeal.
- Institutional efforts and support contribute to the development of regional agriculture.
- Sustainable agricultural practices, both technological and traditional, can be observed in Bursa.
- Cattle, buffalo, and ox breeding are commonly practiced in Bursa.
- Leading companies in Turkey showcase their products and innovations at **AgroGreen Bursa**, highlighting the region's agricultural diversity.

## About the Fair

- **AgroGreen Bursa** is a platform for the global agricultural machinery industry, the future of crop production, and a crucial meeting point for livestock and livestock management.
- As an innovation platform for the livestock sector, **AgroGreen Bursa** provides a comprehensive overview of new developments and established standards, exhibiting solutions and innovations in large and small livestock breeding.

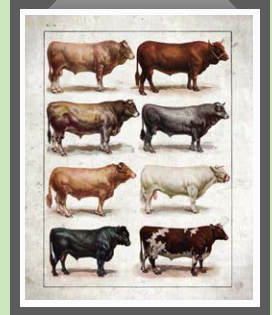

Showcase your  
groundbreaking innovations  
to a global audience

Benefit from extensive  
access and  
international reach

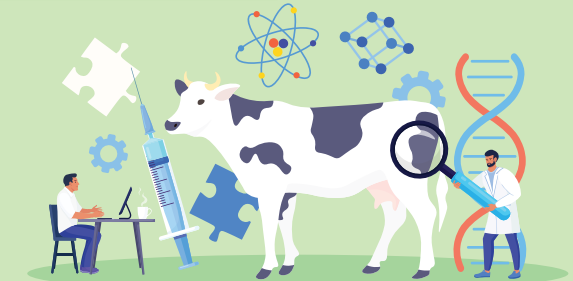

Establish valuable  
business connections and  
new customer networks.

## International Visitors

Bursa, a globally recognized city in agriculture, will bring together international agricultural professionals with **AgroGreen**. International visitors from countries closely following Turkey's agricultural developments and seeking to enhance collaboration will attend the fair.

### Target Countries for Participants and Visitors:

Algeria, Azerbaijan, Bulgaria, Gambia, Georgia, Germany, Ghana, Greece, Iraq, Iran, Italy, Morocco, Nigeria, Romania, Russia, Saudi Arabia, Senegal, Tunisia, United Arab Emirates.

## Highlights of AgroGreen

**Accommodation:** Bursa, also a tourist city, offers various accommodation options for participants and visitors coming from outside the city. **Accommodation for key buyers from abroad will be provided by GL Platform Fair Organization.**

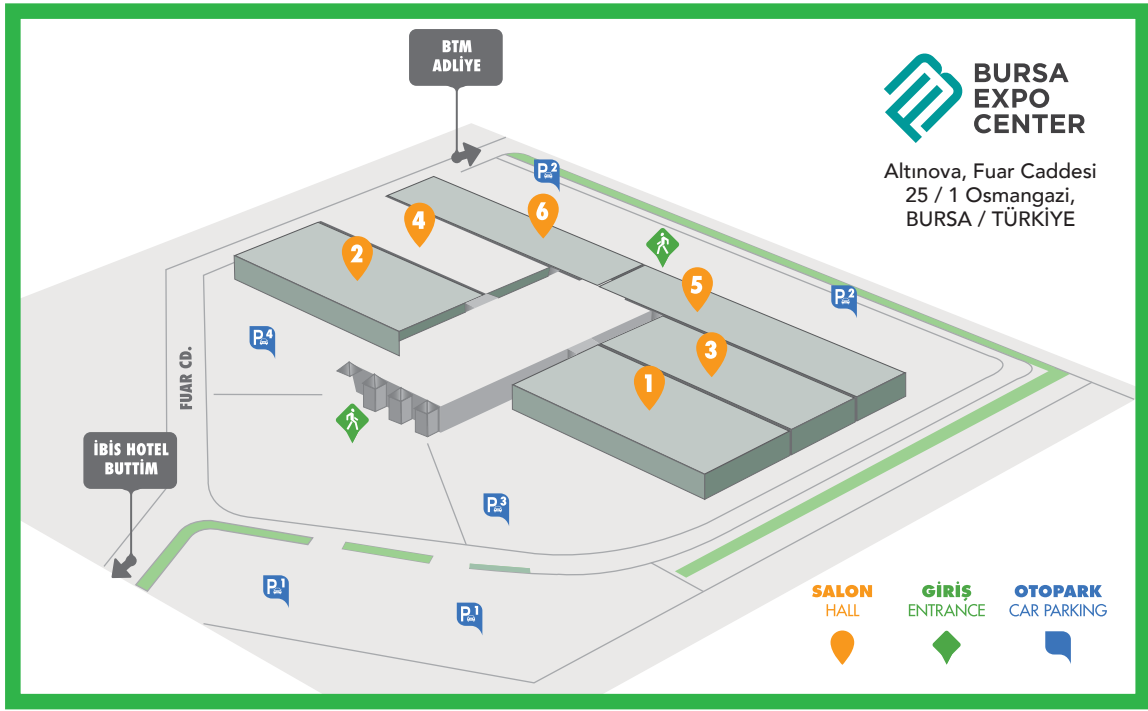

### Free Transport for Farmers:

A transportation organization will provide free round-trip transportation for farmers from provinces, districts, and villages within a 400 km radius of the fairground.

**Events:** Panels on various industry-related topics are planned as part of the fair. Additionally, the planned breeding competition for cattle, sheep, and goats will contribute to the sustainability of regional livestock farming.

**Bursa Fair Center,**  
with its 6 halls, 40,000 square meters of indoor space, and 70,000 square meters of outdoor area,  
hosts next-generation organizations and large-scale events.
