# AGROAYVALIK NORTH AEGEAN AGRICULTURE AND LIVESTOCK FAIR 15–18 MAY 2026

## AYVALIK/BALIKESİR/TÜRKİYE FAIR OBJECTIVE

AGROAYVALIK, scheduled to take place between 15–18 May 2026, aspires to become the largest agricultural and livestock fair in the Northern Aegean Region, serving as a strategic meeting point for industry stakeholders.

The fair will be held in Ayvalık, a historically significant hub for trade and export, located on the fertile lands of the Northern Aegean. The event will focus on collaboration, innovation, sustainability, and the promotion of advanced agricultural technologies.

In parallel with the exhibition, a comprehensive program of seminars and panel discussions will be organized to address current issues in agricultural and livestock production, offering expert insights and solution-oriented approaches.

A dedicated Olive Production Summit will also be held, highlighting one of the region's most prominent agricultural products. During the summit, producers and farmers will be informed by leading sector professionals about the latest developments in olive farming technologies and modern production techniques.

## SCOPE OF THE FAIR

- Tractors and Harvesters
- Agricultural Mechanization and Technologies
- Greenhouse Technologies, Viticulture and Winemaking Technologies
- Water and Irrigation Technologies
- Solar and Wind Energy Systems
- Agricultural Fertilizers, Manure, and Chemicals
- Seeds, Seedlings, Saplings, and Gardening Technologies
- Ecological Agriculture
- Organic Farming
- Agro Informatics
- Livestock
- Equipment and Services for Farmers and Greenhouses
- Livestock Breeding
- Aquaculture
- Milk and Dairy Products
- Poultry

- Animal Health and Veterinary Services, Medicines, and Equipment
- Related Publications and Research Institutes

### SPECIAL PART: LIFE ON THE FARM

- Prefabricated House / Tiny House / Caravan / Mobile Living Units
- Off-Road Vehicles / SUV
- Camping Tents and Equipments
- Tricycle / Motorcycle / Electric Bicycle
- Special Storage Areas

# NORTHERN AEGEAN AGRICULTURE MEETS IN AYVALIK

## NORTHERN AEGEAN

With its deep-rooted agricultural heritage, dedicated farmers, and fertile soils, the Northern Aegean stands as one of the most significant agricultural and livestock production basins in Anatolia. Stretching from the Dardanelles Strait to the Foça district of İzmir, covering the province of Balıkesir and extending to the Sındırgı district of Manisa, the region plays a vital role in Turkey's agricultural landscape.

## WHY YOU SHOULD ATTEND AND VISIT THIS FAIR

- The North Aegean is a developed and commercially advanced region of Türkiye.
  - The North Aegean is a significant agricultural and livestock production basin in Türkiye.
  - You should be here to establish new sales channels, acquire distributors, and grant franchises.
  - You can learn about agricultural and animal products and technologies produced in Türkiye and obtain a dealership or distributorship.
  - The region is home to people with significant immigration from Greece and the Balkans, culturally aligned with this region.
  - Transportation and accommodation options are readily available.

- Oat
- Sunflower
- Alfalfa
- Grape
- Peach
- Apple
- Greenhouse Cultivation
- Organic Farming
- Good Agricultural Practices

### Animal Breeding

- Cattle
- Sheep and Goats
- Poultry
- Beekeeping

## AGROAYVALIK – Sales, Promotion and Cooperation Platform

The Northern Aegean is a wide and fertile region located within the borders of Turkey and Greece. It is home to people from ancient civilizations and still carries the knowledge and experience of the past through its cultural diversity.

Migrations from Turkey, Greece, Bosnia, Montenegro, and various parts of the Balkans have contributed not only to the region's cultural richness but also to its economic activity.

Agriculture and livestock farming in the region are supported both by traditional methods and modern techniques, thanks to its fertile lands.

AGROAYVALIK's promotional efforts are planned with this regional potential in mind. It aims to become the largest fair in the region, serving companies and individuals who want to sell to the region or benefit from its production.

This fair is organized under the supervision of TOBB (The Union of Chambers and Commodity Exchanges of Türkiye) in accordance with Law No. 5174.
