ENTITLEMENTS - Raw Space Note: minimum 36 sqm

- In case of raw space booking, only the bare space will be provided. Additional charges will apply for power, carpeting, or any other facilities required.
- The design and fabrication of the booth should be done from client.
- The booth should not be destructing the view or disturbing the aesthetics of any other co-exhibitor. Organiser holds the final right to stop/alter the design if needed.
- All drawings/designs showing stand construction have to be submitted and approved by the Event Partner, who reserves the right to recommend changes/modification, in the interest of the overall presentation of the exhibition. Exhibitors have to ensure that the changes recommended are carried out.
- The maximum height permitted is follows: Front Area 8ft; Middle Area 12ft & Rear Area 10ft.
- 4 Complementary Silver Delegate Passes to access the conference zone
- 8 Exhibitor Badges to manage the booth.
- Access to B2B Partnering Tool
- Listing of Organization information in the e-Directory

Please Note:

For raw space bookings, the pavilion design, booth construction, and fabrication can either be undertaken by your own appointed vendor or through one of our empanelled event partners. We would be happy to connect you with our empanelled vendors upon request.

The cost of booth design, construction, fabrication, and any additional utilities or custom branding elements will be separate and will be charged directly by the appointed vendor.
